

# 23 Points Empty home Cleaning checklist

We are aware that each house is different, and each homeowner has different desires and standards for what they want from their professional house cleaning service.

When moving in/out and your place is empty we will make sure the following is done :

## Kitchen:

---

- Microwave inside, sides, top, behind
- Stovetop, sides, polish.
- Fridge front polished, side, top
- Backsplash, countertops, cupboard fronts
- Garburator, sink, and taps
- Wipe light switches, doorknobs
- Replace garbage and recycling liners (and leave them beside your door if not possible to take out)
- Vacuum and wash floors

## Bathroom:

---

- Bathtub and shower enclosure
- Inside, out and behind the toilet
- Lights, mirrors, sink, countertops (lifting things up), cabinet fronts
- Polish chrome
- Vacuum ceiling fan cover
- Light switches, doorknobs
- Replace garbage liner
- Vacuum and hand wash floors

## Living Room/Dining Room/Halls/Bedrooms

---

- Cobwebs
- Counters, tabletops, window ledges
- Light switches, doorknobs
- Vacuum and wash floors
- Dust and/or wash All baseboards

# Special Requests

Do you need some extra help with your moving in/out clean? Add as many Special Requests as you need, we will get it done for you

---

- Bed linens changed
- Fold load of laundry
- Inside fridge
- Inside oven
- Inside cupboards
- Hand wash and/or put away dishes
- Wash blinds (venetian, vinyl, wood)
- Wash inside windows and tracks
- Wash baseboards and/or walls
- Sweep balcony

**You may have some special areas that need our regular attention, and you don't see them listed here. we know that every client is unique and looks forward to adding their unique requirement to our list of services. Feel free to ask and we can customize your checklist cleaning**

## Sorry, unfortunately, we do not clean:

---

- Balcony awning washing / moss removal
- Barn
- Bathtub full of water (for health purposes, please drain water before we come)
- Blood
- Cobwebs or dusting above 10 foot ceiling
- Curtains or cotton window coverings
- Dead animals
- Drugs
- Excrement (only droppings inside a cat litter box will be picked up)
- Fireplace
- Flood Damage
- Guns
- High hanging fans, lights over 8 ft or large chandeliers
- Inside vents and heaters
- Large blood spills
- Mold and mildew (please call us for a referral to a specialist)
- Organize, sort or shred papers and documents
- Outside windows (except patio sliding doors)
- Severely aged or moldy window tracks
- Soot or fire damage
- Tile grout (shower grout is cleaned, though discoloring of silicone is permanent)
